NA

SUMMARY:

Theft II report. An unidentified female stole over $800.00 in merchandise from the Target located at 12675 NW Cornell Rd, Portland. This case is currently open.

NARRATIVE:

On September 18, 2024, I was dispatched to the Target located at 12675 NW Cornell Rd, Portland due to a report of a theft that had happened the day before. When I arrived, I was able to speak with Sarah Fillis, who I know to be a loss prevention agent for Target, and learned that a female had entered the store and after selecting multiple items then left the store without paying for them. I was informed that the total for the theft was $895.84.

Sarah then provided me with a thumb drive with the Target loss prevention report, security footage, and still shots.

After providing the case number to Sarah, I then left the store.

I was later able to review the security report and learned that a black female adult had entered the store and after making multiple selections, concealed them in totes and then left the store by going out of a fire exit and bypassing all points of sale. I saw that the report included a list of items that had been stolen and that the value of the items was $895.84.

I later placed the thumb drive into evidence and asked that a "Can you ID me?" bulletin be sent out.

At this time, this case is currently open.

RECOMMENDED ACTIONS:

This case is currently open.

BODY WORN CAMERA NOTICE

I recorded this incident on my body worn camera. It should be noted this report is a summarization of this incident. Any statements documented in this report should be viewed as generalized or summarized, and not verbatim unless documented by the use of quotation marks. For verbatim statements, the body worn camera footage should be viewed in its entirety.

The body worn camera footage was uploaded to a cloud based storage service. It should also be noted that the body worn camera has a 30 second pre-record feature. This means when the body worn camera is activated to record, it captures 30 seconds of video footage prior to the recording function activation. There is no sound captured during this pre-record segment.

FOLLOW UP NARRATIVE

MENTIONED:

Dep. Augusto Orozco, WCSO

Dep. Cole Whipple, WCSO

Dep. Joshua Stone, WCSO

SUMMARY:

Follow up report. The suspect in this case, Ashle Penn, was identified while she attempted to steal additional items from Target with Barry Washington. Both were contacted and arrested. This case is cleared by arrest.

NARRATIVE:

On September 18, 2024, I was dispatched to the Target located at 12675 NW Cornell Rd, Portland due to a report of a theft. When I arrived, I was able to speak with Sarah Fillis, who I know to be a loss prevention agent for Target, and learned that the previous night, September 17, 2024, a black female adult, had entered the store, and after selecting multiple items, left the store with the items through a fire door and without paying for the items. Sarah told me that the value of the items stolen was $895.84.

After taking the report, I left the store.

Later on September 18, 2024, Dep. Orozco was notified by Sarah that the female from this case had returned to the store, this time accompanied by a black male adult. When I arrived at the store, I was informed that the female was currently selecting items inside the store and that Sarah had witnessed the male removing the security wire from a vacuum.

Once the male and female left the store, I contacted the female, later identified as Ashle Penn, while Dep. Orozco and Dep. Stone detained the male, later identified as Barry Washington.

Once Ashle was contacted, I detained her in handcuffs. After checking them for tightness and fit, I double locked them and then led Ashle to my patrol car. While I was leading her to my

patrol car, I read Ashle her Miranda rights from a department issued card. After reading Ashle her Miranda rights, I asked her if she understood them and she stated that she did. I then attempted to speak with Ashle but she refused to speak with me.

While I was speaking with Ashle, Dep. Stone learned that Barry had a valid warrant for his arrest. Due to this, Barry was detained as well.

Once both Barry and Ashle were detained, Dep. Orozco spoke with Sarah and learned the following:

Ashle was seen selecting items inside the store and then without paying for the items, approached the customer service desk with a cat full of items and the vacuum underneath and returned the items that were in the main compartment of the cart and failed to pay for the vacuum. Due to Ashle selecting items in the store from receipts that she had found outside the store, Ashle was given cash for the items. Ashle and Barry then exited the store where she was contacted by myself and Dep. Stone.

Dep. Orozco told me that the value of the vacuum, which was never paid for, and additional items that had not been returned was $192.03. Dep. Orozco told me that the value of the items that had been selected inside the store and then returned was $93.53, making the total for the items that was stolen $285.55.

Due to Ashle stealing $895.84 on September 17, 2024, to total amount that she had taken from Target over two days was $1181.39. Due to this, I developed probable cause to arrest Ashle Penn for Theft I.

Both the stolen items and the cash was returned to Target.

While searching Ashle's bags, Dep. Whipple located a small glass vial containing a white crystalline powder and a glass pipe. Based on my training and experience, I recognized the white crystalline powder as methamphetamine and the glass pipe as an instrument that is commonly used to smoke methamphetamine. Due to this, I seized both of these items and developed probable cause to arrest Ashle for PCS-Methamphetamine.

I then informed Ashle that she was being arrested for Theft I and PCS-Methamphetamine.

While Dep. Stone was speaking with Barry, he located a powerful magnet that appeared to be used to defeat security measures at department stores. Due to Barry assisting Ashle while

she was stealing the vacuum and being in possession of the magnet, Dep. Stone developed probable cause to arrest Barry for Theft II, Possession of a Burglary Tool, and on the warrant. Please see his case, 50-24-13463 for more information.

Dep. Stone and I then transported Barry and Ashle to the Washington County jail where they were then booked into and lodged with no issues.

I then placed the white crystalline powder into evidence. While placing it into evidence, I weighed the powder and saw that it weighed 2.1 grams and that it gave a presumptive positive result for methamphetamine.

This case is cleared by arrest.

RECOMMENDED ACTIONS:

This case is cleared by arrest.
