SUMMARY:

Theft II report. An unidentified female stole over $800.00 in merchandise from the Target located at 12675 NW Cornell Rd, Portland. This case is currently open.

NARRATIVE:

On September 18, 2024, I was dispatched to the Target located at 12675 NW Cornell Rd, Portland due to a report of a theft that had happened the day before. When I arrived, I was able to speak with Sarah Fillis, who I know to be a loss prevention agent for Target, and learned that a female had entered the store and after selecting multiple items then left the store without paying for them. I was informed that the total for the theft was $895.84.

Sarah then provided me with a thumb drive with the Target loss prevention report, security footage, and still shots.

After providing the case number to Sarah, I then left the store.

I was later able to review the security report and learned that a black female adult had entered the store and after making multiple selections, concealed them in totes and then left the store by going out of a fire exit and bypassing all points of sale. I saw that the report included a list of items that had been stolen and that the value of the items was $895.84.

I later placed the thumb drive into evidence and asked that a "Can you ID me?" bulletin be sent out.

At this time, this case is currently open.

MENTIONED:

Dep. Joshua Stone, WCSO

SUMMARY:

Follow up report. The suspect in this case, Ashle Penn, was identified while she attempted to steal additional items from Target with Barry Washington. Both were contacted and arrested. This case is cleared by arrest.

NARRATIVE:

On September 18, 2024, I was dispatched to the Target located at 12675 NW Cornell Rd, Portland due to a report of a theft. When I arrived, I was able to speak with Sarah Fillis, who I know to be a loss prevention agent for Target, and learned that the previous night, September 17, 2024, a black female adult, had entered the store, and after selecting multiple items, left the store with the items through a fire door and without paying for the items. Sarah told me that the value of the items stolen was $895.84.

After taking the report, I left the store.

Later on September 18, 2024, Dep. Orozco was notified by Sarah that the female from this case had returned to the store, this time accompanied by a black male adult. When I arrived at the store, I was informed that the female was currently selecting items inside the store and that Sarah had witnessed the male removing the security wire from a vacuum.

Once the male and female left the store, I contacted the female, later identified as Ashle Penn, while Dep. Orozco and Dep. Stone detained the male, later identified as Barry Washington.

Once Ashle was contacted, I detained her in handcuffs. After checking them for tightness and fit, I double locked them and then led Ashle to my patrol car. While I was leading her to my

patrol car, I read Ashle her Miranda rights from a department issued card. After reading Ashle her Miranda rights, I asked her if she understood them and she stated that she did. I then attempted to speak with Ashle but she refused to speak with me.

While I was speaking with Ashle, Dep. Stone learned that Barry had a valid warrant for his arrest. Due to this, Barry was detained as well.

Once both Barry and Ashle were detained, Dep. Orozco spoke with Sarah and learned the following:

Ashle was seen selecting items inside the store and then without paying for the items, approached the customer service desk with a cat full of items and the vacuum underneath and returned the items that were in the main compartment of the cart and failed to pay for the vacuum. Due to Ashle selecting items in the store from receipts that she had found outside the store, Ashle was given cash for the items. Ashle and Barry then exited the store where she was contacted by myself and Dep. Stone.

Dep. Orozco told me that the value of the vacuum, which was never paid for, and additional items that had not been returned was $192.03. Dep. Orozco told me that the value of the items that had been selected inside the store and then returned was $93.53, making the total for the items that was stolen $285.55.

Due to Ashle stealing $895.84 on September 17, 2024, to total amount that she had taken from Target over two days was $1181.39. Due to this, I developed probable cause to arrest Ashle Penn for Theft I.

Both the stolen items and the cash was returned to Target.

While searching Ashle's bags, Dep. Whipple located a small glass vial containing a white crystalline powder and a glass pipe. Based on my training and experience, I recognized the white crystalline powder as methamphetamine and the glass pipe as an instrument that is commonly used to smoke methamphetamine. Due to this, I seized both of these items and developed probable cause to arrest Ashle for PCS-Methamphetamine.

I then informed Ashle that she was being arrested for Theft I and PCS-Methamphetamine.

While Dep. Stone was speaking with Barry, he located a powerful magnet that appeared to be used to defeat security measures at department stores. Due to Barry assisting Ashle while

she was stealing the vacuum and being in possession of the magnet, Dep. Stone developed probable cause to arrest Barry for Theft II, Possession of a Burglary Tool, and on the warrant. Please see his case, 50-24-13463 for more information.

Dep. Stone and I then transported Barry and Ashle to the Washington County jail where they were then booked into and lodged with no issues.

I then placed the white crystalline powder into evidence. While placing it into evidence, I weighed the powder and saw that it weighed 2.1 grams and that it gave a presumptive positive result for methamphetamine.

This case is cleared by arrest.

RECOMMENDED ACTIONS:

This case is cleared by arrest.

SECONDARY REPORT ADTL CUSTODY

Mentioned:

Deputy Rambin WCSO

Deputy Orozco WCSO

Summary:

Barry Washington was arrested for Theft 2 and Possession of Burglary Tools after accompanying Ashle Penn in a theft from Target. Barry also had a warrant issued for his arrest. This case was cleared by arrest.

Narrative:

On 09-18-2024, at approximately 2115 hours, I responded to a theft in progress from the Target store at 12675 NW Cornell Rd, Portland, OR 97229.

Deputy Orozco informed me prior to my arrival that two suspects were currently being monitored in the store. I was advised that the suspects had already tampered with the security device on a vacuum cleaner. Deputy Orozco was in contact with Loss Prevention, Sarah Fillis.

The following description was provided for the suspects: A black male wearing a gray Nike hoodie, with a blue hat, and jeans. A black female wearing a blue coat, yellow hat, and carrying a bag. The male was later identified as Barry Washington and the female as Ashle Penn.

When I arrived on scene, I met up with Deputy Rambin who was waiting near the main entrance/exit. Deputy Rambin advised me that he had probable cause to arrest Ashle at that point. For more information refer to Deputy Rambin's primary report.

Ashle exited the store pushing a shopping cart, with Barry a few steps behind her. When Ashle exited, the stolen vacuum cleaner was obvious on the bottom rack of the shopping cart. After Deputy Rambin placed Ashle in handcuffs, I escorted Barry to a nearby bench. I advised Barry of his Rights from a prepared card. When asked if he understood his rights, Barry said " I do."

I learned that Barry had a felony warrant issued for his arrest out of Washington County Community Corrections, WNO/21CR25804. I detained Barry in handcuffs, checked them for fitment, and ensured they were double locked. Julia with the WCSO Records Department confirmed the warrant and notified Parole and Probation.

During my search of Barry, I located multiple magnets secured in a hose clamp. Deputy Orozco informed me that homemade devices like this are used to disable some store anti-theft devices. Deputy Orozco, after entering the store and investigating the circumstances of the theft, showed me a photo of a "Spider" security device, which he advised me was removed in the store by Barry from the vacuum. The vacuum was valued at more than $100.

Based on the information available to me, I believe probable cause existed to arrest Barry for Theft 2 and Possession of Burglary Tools. I arrested Barry and transported him to the Washington County Jail without further incident.

Both Barry and Ashle were formally trespassed from all Target stores in Washington County. Both were advised that if they went to any location, they could be arrested for criminal trespass. Barry and Ashle both refused to acknowledge the admonishment and refused to cooperate with any means used to clarify the admonishment. I typed a formal admonishment on a Word document, which include the addresses for all six Washington County Target stores. I explained the document to Barry and Ashle, and a copy was placed with both of their individual personal property at the Jail.

Action Recommended:

This case was cleared by arrest.

SUMMARY

On 09-18-2024 Known suspects stole items from the Target. I assisted Deputy Rambin and Deputy Stone in investigating the theft. Both were detained and later arrested.

NARRATIVE

On 09-18-2024 at 2114 hours, I was dispatched to assist in the investigation a theft which was occurring at 12675 NW Cornell Rd. Portland OR 97229. Working with Sarah Fillis and Deputy Rambin, they arrested a female identified as Ashle Penn who Deputy Rambin had probable cause to arrest. She had a male accomplice who was identified as Berry Washington.

I looked at video footage of Barry assisting Ashle in taking a vacuum and removing the spider wrap around it. They would later walk out of the store with the vacuum without paying.

Sarah advised me they take receipts from other who throw them away and go grab the items from the floor. They then return the items and get cash for them. They use the cash to buy small amounts and leave the store with cash and stolen items.

She showed me receipts where they returned $6.98 at 2135 hours and another return for $86.55 at 2137 hours for a total of $93.53. At 2138 hours they purchased $4.36 worth of items with a five dollar bill. Which she got change of $.64 cents. She was found with cash next to the receipts along with a Ziploc bag with $2.06 worth of coins and $87 worth in cash. Total is $89.06 The difference is $4.47 which is .11 cents off the total balance. I took photos of the cash and the receipts and placed them into evidence. As well as a photo for the removed spider wrap on the vacuum.
