SUMMARY

On 09-18-2024 Known suspects stole items from the Target. I assisted Deputy Rambin and Deputy Stone in investigating the theft. Both were detained and later arrested.

NARRATIVE

On 09-18-2024 at 2114 hours, I was dispatched to assist in the investigation a theft which was occurring at 12675 NW Cornell Rd. Portland OR 97229. Working with Sarah Fillis and Deputy Rambin, they arrested a female identified as Ashle Penn who Deputy Rambin had probable cause to arrest. She had a male accomplice who was identified as Berry Washington.

I looked at video footage of Barry assisting Ashle in taking a vacuum and removing the spider wrap around it. They would later walk out of the store with the vacuum without paying.

Sarah advised me they take receipts from other who throw them away and go grab the items from the floor. They then return the items and get cash for them. They use the cash to buy small amounts and leave the store with cash and stolen items.

She showed me receipts where they returned $6.98 at 2135 hours and another return for $86.55 at 2137 hours for a total of $93.53. At 2138 hours they purchased $4.36 worth of items with a five dollar bill. Which she got change of $.64 cents. She was found with cash next to the receipts along with a Ziploc bag with $2.06 worth of coins and $87 worth in cash. Total is $89.06 The difference is $4.47 which is .11 cents off the total balance. I took photos of the cash and the receipts and placed them into evidence. As well as a photo for the removed spider wrap on the vacuum.
