[X]This incident has body worn camera footage.

BODY WORN CAMERA NOTICE

I recorded this incident on my body worn camera. It should be noted this report is a summarization of this incident. Any statements documented in this report should be viewed as generalized or summarized, and not verbatim unless documented by the use of quotation marks. For verbatim statements, the body worn camera footage should be viewed in its entirety.

The body worn camera footage was uploaded to a cloud based storage service. It should also be noted that the body worn camera has a 30 second pre-record feature. This means when the body worn camera is activated to record, it captures 30 seconds of video footage prior to the recording function activation. There is no sound captured during this pre-record segment.

Summary:

Warrant Service / On 5/10/2025, Barry Washington was contacted regarding a domestic disturbance and arrested on a warrant. This case is clear by arrest.

Narrative:

On 05/10/2025 I responded to a domestic disturbance call located at 17458 NW Springville Road apartment 9 in Portland.

While enroute to the call dispatch advised the male party, Barry Washington, had an active WCSO felony Parole violation warrant with a caution for carrying a concealed weapon and possession of a firearm. Barry's cautions were from prior assaults and unlawful use of a weapon(firearm).

When I arrived, I knocked on the door of the apartment, and the female caller opened the door. I asked her if Barry was inside, and she was he was.

I asked the female to talk with my partner and she told me she did not want to answer any questions. I told her we need to talk with Barry because he had a warrant, and she told me she would get him and send him out. After waiting for a few minutes, I knocked on the door and the female answered. I asked her where he was, and she told me she was going to speed him up.

After waiting another few minutes, I knocked again, and she opened the door. I told her we need to come inside, and we entered the residence. I noticed there was a child inside when I entered. I motioned for his mother to take him to the opposite corner of the house. I then called out we were the Sheriff's Office and for Barry to come out and talk to us. Due to the possibility of Barry having a firearm and resisting arrest, I drew my duty pistol and kept it in the low ready position while we searched the house. Deputy Lagoy drew his taser and Deputy Preap drew his duty pistol in the low ready during the search.

While searching a bedroom in the rear of the residence, we opened a closet door and saw Barry sitting inside. We told Barry to come out multiple times and he did not comply. The closet was dark, and Barry was wearing a puffy jacket which allowed multiple places for a weapon to be hidden. Due to Barry's past incidents and warrant cautions, Deputy Lagoy then used the arc function of his taser while Deputy Preap ordered Barry to come out. Barry stood up and began to exit the closet. Deputy Prep and I holstered our weapons and took him into custody. I placed Barry in handcuffs, checked for proper tightness, and double locked them.

I placed Barry in the backseat of my patrol vehicle. I called WCSO records and confirmed the warrant was active. I transported Barry to the WCSO Jail where he was lodged without incident. Case cleared by arrest.

Actions recommended:

Clear by arrest.

NARRATIVE REPORTED BY: 53879 DATE/TIME: 05-12-2025				
MENTIONED: Dep. Brandon Mock, WCSO Dep. Hayden King, WCSO SUMMARY: Supplemental report. This report is to identify all involved parties that were present at the time of the call. This case was cleared by arrest. NARRATIVE: On May 12, 2025, I was contacted by the Washington County District Attorney's Office about this case. I was asked to determine if Ashle Penn had also been present at the time of Barry Washington's arrest. After speaking with the Washington County District Attorney assigned to the call, I reviewed the report written by Dep. King and saw that while only Barry was listed as an entity on the report a female had been present at the time of the call. I then reviewed the CAD call and saw that both Ashle and Barry had been ran in the call. I then contacted Dep. Mock who was present at the time of the call, and asked him if Ashle had actually been at the call. Dep. Mock confirmed that she had been present at the residence and stated that while Dep. King and the other deputies were taking Barry into custody, he had been speaking with Ashle and that his body worn camera captured her. I then ended the phone call. After speaking with Dep. Mock, reviewing the report, and the CAD call, it appears that Ashle was present and had been in contact with Barry at the time of his arrest. This case was previously cleared by arrest. RECOMMENDED ACTIONS: This case was cleared by arrest. Please forward this report to the Washington County District Attorney's Office, ATTN: DDA Jade Sawyer ADDITIONAL NOTES: NA
