Michele C. Rini Circuit Court Judge

IN THE CIRCUIT COURT OF THE STATE OF OREGON
FOR THE COUNTY OF WASHINGTON
Juvenile Department

In the Matter of:

Al-Mira Amira Jazmine Davis
child of Al-Quan Adam Davis

Case 25JU04261

ADMISSIONS BY Al-Quan Adam
Davis (Father)

I, Al-Quan Adam Davis, Father, admit the allegations as true and accurate as set forth in paragraph(s) _____ of the ~~petition~~ ☒ The petition language to which I admit is amended as follows:

2D. Father is charged with criminal mistreatment, assault, and strangulation, with the child as the named victim, and is currently incarcerated, interfering with his ability to safely parent.

2E. Father needs the assistance of the agency to address the breakdown of the parent/child relationship resulting in violence in the home, without which child is at risk of harm.

In making these admissions, I understand that I am waiving (giving up) my right to have a trial on the admitted allegations, at which the State would have to prove the allegations by a preponderance of the evidence (or by clear and convincing evidence, if the child is an "Indian child" as defined in the Indian Child Welfare Act). As to the facts that I am admitting, I am waiving (giving up) my right to confront (question) witnesses called to testify by the state or any other party, the right to testify in court, and the right to call my own witnesses.

I further understand that if I make these admissions, the court will consider the facts I admit in determining whether there is a legal basis to make my child a ward of the court. The court may require me to engage in services that are related to the allegations in the petition(s) and may place my child outside the home for as long as the court deems necessary, or until the age of 21. have discussed this with my attorney as much as I needed to make this decision and I am satisfied with the representation I have received by my attorney. No one has made any threats or promises to force me to do this against my will

Al-Quan Adam Davis, Father

Date 10/14/25

I have personally reviewed the petition in this case, have discussed available legal options with my client, and have fully explained the potential consequences of admission to my client. To the best of my knowledge and belief, my client's decision to make this admission is made voluntarily, intelligently, and knowingly.

Yvana Mols, OSB #175234

Date October 13, 2025

I agree with this jurisdictional basis ☐ and move to dismiss paragraphs _____ of the petition.
