On October 10, 2025, our office searched the Washington County Jail, Multnomah County Jail, and Clackamas County Jail rosters for father. No information regarding the parent was located.

On October 10, 2025, our office ran a CLEAR search for mother. The CLEAR search provided the following addresses: 17548 NW Springville Rd. Unit 9, Portland, OR 97229, reported last 8/14/2025.

On October 10, 2025, our office completed a VISOR search for mother in the state of Oregon. Mother was in custody on September 20, 2024 and released at an unknown date. Mother currently has an active warrant for her arrest.

On September 19, 2025, my office prepared a service packet for mother, which included a certified true copy of the Petition along with a certified true copy of the Summons. The service packet was provided to Barrister Support Service to attempt service on mother at 17548 NW Springville Rd. Unit 9, Portland, OR 97229, which was the parent’s last known address.

On October 8, 2025, our office received information from Barrister Support Service regarding their attempts to serve the parent. Barrister Support Service indicated that they were unable to successfully serve the parent at 17548 NW Springville Rd. Unit 9, Portland, OR 97229.

Notwithstanding, the investigation described above, and the investigation done by Oregon Department of Human Services (ODHS), the where about of mother cannot be reasonably ascertained and she cannot, therefore, be personally served with the certified true copies of the Summons and Petition.
