RE: Al-Mira Davis, 25JU04261

Your Honor,

This letter serves as an update on the family since the last hearing. The following information was provided by permanency worker David Milne-

Ashle Penn

I have sent Mom an email with my phone number asking her to contact me. Since Ashley and I went to Mom's apartment I have been back there once (10/3/2025) at 5:00pm but no one answered the door.

AshLe has informed ODHS during a phone conversation she will not appear in Court in person until ODHS resolve some of the issues she wants addressed.

Some of the issues she wants addressed are:

ODHS apologize for defamation of her character at the Shelter hearing.

ODHS address the unlawful seizure of her child.

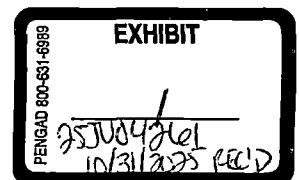

ODHS has not served her with papers/summons/petition.

Al-Mira Davis

I visited with Al-Mira on 10/8/2025 at her resource parent's house. Al-Mira said she would like to live with her dad but realizes that might not happen for a while as there is currently a no contact order between Al-Mira and her Dad.

Al-Mira did say she would go back and live with her mother and was prepared to do Family Therapy with her Mom. Al-Mira said the Family Therapy should start before she moves in with her Mom as when she lives with her Mom they always argue and fight.

Verified Correct Copy of Original 10/31/2025

I explained to Al-Mira no one from ODHS has been able to contact her mother and until we do have contact with her we cannot work on her moving back into her mother's house. Al-Mira said she will ask her Mom to contact me. I have not heard from Mom yet.

Al-Mira is engaged with a therapist from CCS and has a youth mentor. Neither the therapist nor the youth mentor have sent ODHS any updated.

Al-Mira is placed with relatives who live in Troutdale. Al-Mira would like to be placed with family closer to her high school which is in Hillsboro.

Al-quan Davis

I visited with Al-quan Davis in Washington County Jail. He said Ashle is not answering her door as she has an arrest warrant and will not answer her phone or her door. Al-quan did not know what the arrest warrant was for. Al-quan does not think it would be a good idea for Al-Mira to be placed with her Mom. He said they are always fighting when they are together. Al-quan is concerned that his other daughter might be removed from Ashle's care.

Al-quan has been released from Washington County Jail. He has enrolled in Parenting Classes and said he is willing to do a Psych Evaluation.

Al-quan said he thinks his Court date has been scheduled for February 2026. He wants to get out in the community do all the services he is required to do and care for his daughter. Al-quan said he did not punch his daughter and he is hopeful the video footage from the incident will clear him from all charges.

ODHS respectfully requests that the child be made a ward of the court and under the custody of the Department of Human Services: Child Welfare for care, placement, and supervision.

DHS further requests that the court grant DHS Reasonable Efforts and Best Interest and that DHS and parents abide by the signed Service Checklists.

The agency respectfully requests that visitation remain per the discretion of the agency.

Respectfully Yours,

David Milne
