I am the parent of the child in the above-referenced juvenile dependency matter. Pursuant to ORS 419A.255 and related provisions governing parental access to juvenile court records, I am respectfully requesting access to and copies of the complete court record in this case.

Given ongoing proceedings and the need to review the procedural history for accuracy, I request the following materials:

1. Complete Register of Actions / Docket from the initiation of the case to present.
2. The dependency petition filed in this matter, including any amended or supplemental petitions.
3. Any summons issued to me, together with all returns, proofs, certificates, or affidavits of service, or documentation reflecting whether service has or has not occurred.
4. All orders entered by the court, including but not limited to:
 - Any protective custody or removal orders issued prior to or in connection with the shelter hearing;
 - Shelter hearing orders;
 - Temporary custody, placement, or visitation orders;
 - Findings regarding reasonable efforts;
 - Any referee findings and judicial approvals.
5. Audio recordings of all hearings, including specifically the shelter hearing held on or about September 8, 2025, and any subsequent review, status, or permanency hearings.
6. Minute entries or written notations reflecting appearances, identification of counsel or prospective counsel, and any findings or discussion regarding service, notice, jurisdiction, or waiver.
7. All written communications/correspondence retained in the court file for this case (including letters, notices, emails printed to file, or other written communications received or sent by the court in connection with this matter), to the extent maintained as part of the case record.
8. Any court-maintained administrative notations or records reflecting the identification, referral, or appointment/assignment of counsel or prospective counsel for me in this matter, to the extent such materials are maintained by the court in connection with the case.

Thank you
