Court Letter re Case # 25JU04261

ODHS would like to inform the Court that they have tried to have in person visits with Ms. Penn every month for the past seven months. ODHS has knocked on Ms. Penn's apartment door but to date no one has ever answered the door. ODHS have left a business card in the door frame prior to leaving.

On 2/18/2026 ODHS went to Ms. Penn's apartment and again no one answered the door. ODHS left a letter in the door frame addressed to Ms. Penn. ODHS also mailed a copy of this letter to Ms. Penn via registered mail. ODHS also called Ms. Penn on 2/18/2026 and left a message on her voicemail. Ms. Penn knows the phone number of the ODHS worker assigned to this case but has not called nor texted them in over two months.

When ODHS goes to the apartment they have on occasion heard people inside the apartment and on one occasion someone was seen at the window of the apartment, but no one has ever answered the door.

ODHS has included a copy of the letter they mailed to Ms. Penn with this Court letter.

Yours Sincerely,

David Milne

Dear Ms. Penn,

ODHS have spoken to Almira and her resource parents, Marcus and Julia [REDACTED] and we would all like to encourage you to visit with Almira over the weekends at Marcus and Julia's house. Marcus and Julia have said you are welcome to come to their house they would just ask you to schedule a day and time with them when you were planning to visit with Almira.

ODHS hopes you will take the time to visit with Almira, ODHS can give you gas cards to help cover the cost of driving to and from Troutdale. ODHS believes it will be beneficial for both you and Almira if you could spend more time with each other.

ODHS will not attend any of these visits and it is up to you to arrange with Marcus and Julia when these visits will occur.

Your Sincerely,

David Milne

I drove to Hillsboro High school and met Almira at the main office. We then drove to the Courthouse. Almira's mentor was with us. Almira looked well and was appropriately dressed. I explained to Almira she could not visit with her Dad today as it would be a violation of the No Contact Order which would result in Dad going back to jail. During the Court hearing I explained to the Court that ODHS believed it would be in Almira's and Dad's best interest if they could have visits but the Judge said she could not overturn or amend the NCO. Almira asked the Judge if she could give her Dad a hug, the Judge apologized to Almira but said she could not allow her to have physical contact with her dad. I drove Almira back to her school, she said will have lunch then go to her afternoon classes.

I chatted with Alquan after the hearing. He came into the Court room after he knew Almira was already in the Court room so no one could accuse him of having contact with her prior to the hearing.

After the hearing I chatted with Alquan and his attorney about an arrest warrant that is still pending. The attorney believes the matter has been addressed and it's just some paperwork that needs to be updated.

Alquan is asking for assistance to pay his rent. I suggested he contact Catalina Ramirez Torrez who is a Family Coach that will help him access any services he needs.

I went to Ashle's apartment and knocked on her door. No one answered.

I left a letter in the door informing Ashle that ODHS would encourage her to visit with her daughter Almira.

I informed Ashle in the letter that Almira and the relatives Almira is placed with would all encourage Ashlee to visit Almira anytime on the weekend.

I also sent the same letter to Ashle via registered mail.

After returning to the office I called and left a message on Ashle's voicemail.
