

IN THE CIRCUIT COURT OF THE STATE OF OREGON
FOR THE COUNTY OF WASHINGTON
JUVENILE DEPARTMENT

In the Matter of
AL-MIRA DAVIS, CHILD

) No. 25JU04261
)
) ORDER ON MOTHER'S
) MOTION
)

FILED
OREGON JUDICIAL DEPT
WASHINGTON COUNTY
2026 MAR 18 P 1:22

The court finds and orders:

This matter came before the court March 18, 2026 on Mother's Motion. Although the actual separate motions were unclear, the court reviewed the overall motion in light of the title of Mother's pleading and her requests for relief.

Mother appeared to argue a lack of jurisdiction. The court noted that venue was properly before the court, all parties reside in Oregon, the underlying allegations occurred in Washington County, the court has jurisdiction under the UCCJEA, and service was accomplished under the juvenile code.

Further, the court noted that there are different methods of service allowed in both civil and juvenile cases that are specific to each area of law. It is also clear that mother, by her numerous phone calls and emails to the court, has actual knowledge of the case and has contacted the court before every hearing.

Jurisdiction was properly established, Mother did not appear, and the court, after receiving testimony and evidence, found the child within the jurisdiction of the court. Mother's Motion to Vacate or Dismiss is DENIED

2
3
4 As to the argument that ODHS has never shown Mother a copy of a founded allegation, the
5 court noted that ODHS findings are separate from court findings, and the existence of a founded
6 allegation has no bearing on whether the court finds a jurisdictional bases.

7 As to Mother's request that the court take judicial notice about anything contained in the
8 ODHS file, that Motion is DENIED. The court cannot take judicial notice of what may or may not be
9 in a parties files.

10
11 As to Mother's request that the court allow all of mother's future filings without rejection,
12 that Motion is Denied. Mother must follow the same rules as everyone else and comply with the
13 filing rules.

14 As to Mother's request to produce the court file, Mother was provided with the opportunity to
15 come to court and review the file but declined.

16
17 Mother further requested the court order ODHS to provide mother with a complete copy of
18 the ODHS case file. Mother has been provided discovery but has not followed the process under the
19 Oregon Administrative Rules to request a complete copy. Motion for the court to order that release is
20 DENIED.
