I went to Ashle's apartment and knocked on the door several times. There was no response. I left my business card in the door with a note on the back asking Ashle to call me. When I was about to get in my truck Ashle appeared at the window looking towards her door. She never answered the door.

I joined a staffing with Skye, Laurie and Sonja regarding Ashle Penn. Appears Ashlee has spoken to both Laurie and Sonja, she is not only complaining about how she was treated at the Shelter hearing by ODHS but she is also upset that ODHS has not met with her. I informed Laurie and Sonja that the CPS worker and I have tried numerous times to arrange to meet with Ashlee but she comes up with her conditions that ODHS has to comply with before she will agree to meet with anyone. Ashlee's conditions include ODHS going back to Court and inform the Judge that they lied about Ashlee at the Shelter hearing. I have informed Ashlee I forwarded her request to our AAG but they said ODHS will not be going back to Court to appease Ashlee and her requests.

Sonja asked if ODHS could send Ashlee a letter inviting Ashlee to visit with Almira, her daughter, at the resource home in Gresham. ODHS would offer to give Ashlee gas cards to pay for her gas driving to/from Gresham.

I visited with Alquan at his apartment. He is upset his legal Court date has been put back to July which means his no-contact Order with Almira will be in place at least until July.

I gave Alquan a letter to inform his housing agency that ODHS is planning on working on a reunification plan for Alquan with Almira.

Alquan showed ODHS five suicide letters Almira had written to her dad her sister and her friends. I took photos of the letters and told Alquan I would talk to Almira about the suicide notes.

Alquan is really concerned about Almira, the suicide notes and her not attending class at school are his greatest concerns.

I visited with Al-mira at her Aunt and Uncles. Al-mira looked well and was appropriately dressed. The home was clean and tidy as usual.

We talked about what Al-mira's plans were for school this semester. She said she will try and go to school every day but will make it at least 4 out of 5 days.

She said she will also start going to classes as she appreciates she did not attain any credits this past quarter.

Al-mira said she would rather keep going to Hilhi rather than go to Liberty HS. She does not want to go to the high school in Troutdale.

We catted about her Mom coming to visit with her at her Uncle's house. Al-mira said she would enjoy that. Marcus and Julia said they were fine with Mom

coming to their house on the weekends to visit with Al-mira.

After chatting in a group I talked to Al-mira alone in her bedroom about the suicide notes she had written to her Dad and her friends. Al-mira said she does not feel as bad today as she did

when she wrote the notes. She said she was a 3 -4 on a scale of 10 regarding thinking about suicide. She said if she got to a 6 - 7 she would call her CCS therapist. Al-mira did not want the

Suicide Prevention number. She said she has spoken to het Youth Mentor about the suicide notes. Al-mira said please

believe me, I am not going to kill myself. Al-mira did give me permission to send
the notes to her CCS therapist.
