chment value, and relationships to violations. Add entries as evidence is collected.

Key Content/Quotes	Authenticity Status	Disclosed By State	Obtained Via	Brady Material	Impeachment Value	Notes
States Sarah Fillis contacted Orozco; Rambin responded to "known offender" tip; Contradicts grand jury testimony	Authenticated - Court Filed	Yes - Discovery	Discovery	No - Inculpatory	High - Contradicts later sworn testimony	Critical for establishing perjury and Napue violation
Admits "it was possible that Ashle was not the suspect"; Describes returning to Target to "gather up any and all information"; States will "document [Penn's] actual case separately"	Authenticated - Public Record	Yes - After Motion to Compel	Discovery	YES - Exculpatory	Critical - Admission of wrongful arrest	SMOKING GUN: Officer admits error then manufactures evidence instead of dismissing charges
Testified police were at Target for "unrelated incident"; She contacted police directly (not Sarah Fillis via Orozco as Rambin swore)	Sealed - Court Authorization Required	No - Sealed	Referenced in defense motion	YES - Impeachment	Critical - Direct contradiction of sworn affidavit	Need court order to unseal; establishes Napue violation
Shows suspect with short processed hair (Penn has long locs); Clear physical differences; Only 37% of relevant footage retained	Authenticated	Yes - Partial (37% only)	Discovery	YES - Exculpatory	High - Proves misidentification	63% video destruction is spoliation; establish bad faith
Shows Rolfe issued warrant request 11/4/2024; Substantiation shows directive for 11/25/2024 appointment; Warrant requested after Washington's failure to appear without attempt to contact	Authenticated - Official Record	No - Obtained via investigation	Project files	Not applicable to Penn case	Shows pattern of Rolfe misconduct	Demonstrates Rolfe had authority; timing shows retaliation pattern
Demands \$7,846.60 for basic supervision records; Fee waiver initially granted then questioned; Excessive and prohibitive fees	Authenticated - Official correspondence	N/A - Public records	Public records request	N/A	Shows pattern of obstruction	Part of conspiracy to block access to exculpatory evidence
States Penn intends records "to benefit someone in particular" - information Penn never provided; Evidence of inter-agency surveillance	Authenticated - Official email	N/A - Response to records request	Public records request response	N/A	High - Proves unlawful surveillance under ORS 181A.250	CRITICAL: Proves inter-agency information sharing about Penn's associations without legal authority
Charges Washington with contempt for contact with Penn during warrantless home entry 5/10/2025; All evidence fruit of poisonous tree	Authenticated - Court filed	Public court record	Court records	N/A to Penn case	Shows pattern of constitutional violations	DA using fruit of illegal entry to prosecute; demonstrates systematic disregard for Fourth Amendment
